

Anti-Aging Scalp Spray with Phytessence™ French Oak**HP-401**

This light conditioning spray combines key agents to provide dual defense against hair loss. Phytessence™ French Oak is an anti-aging antioxidant for scalp, proven to fight follicle-damaging lipid peroxides linked to hair loss. Procapil™ is a hair anchoring peptide complex which fights aging of the hair follicle and improves quality and density of new hair growth. This formulation was salon tested and proven to have exceptional detangling properties, while also improving wet and dry combing and feel.
